HAMILTON GALLERY TRUST

The Trust has contributed over 600 works of art to our internationally-renowned collection. From the first painting purchased in 1962 to more recent acquisitions, their considered collecting has developed regional Victoria's most unique collection.

We are honoured to have one of the oldest and most successful Trusts in Australia growing our collection and supporting the Gallery for over six decades.

Thank you for your support as we continue to educate, engage, represent and enrich our community through art and culture.
